

Hangry Blues

There's nothing to eat here,
I want a snack.

Give me food now,
Or I will crack!

I'm so hangry for polliwogs,
I'm looking to eat!

The power is out, everything's closed.
Maybe a grilled cheese?

There's nothing to eat here... (x4)

Help Me!

Help me, somebody!
I can't see!
Can somebody let me out?

Help me, somebody!
Where are we?
Help me somebody, I can't see!

Help me, somebody!
Please help me.
Help me, somebody,
I can't see!

Help me, somebody,
I am stuck!
I am going to get eaten.

At the Race

On your mark, get set, on your mark, get set- GO!

I am so tired.

I am on fire!

I am so mad!

If I lose, I'll be sad.

I'm going to win!

You're going to lose!

Today I was feeling gray,- But at the finish line, I'll feel slay!

Hey You!

Hey you! Let's be friends!

It will never end!

Do you want to play with me?

But what, what game will it be?

Hey you! Let's be friends!

It will never end!

Do you want to play a game?

It won't be lame or the same!

Hey you! Let's be friends!

It will never end!

Come on, play along!

I will never be gone!
